Brilliant grooves always leave their mark. As a real groove talent, Maze brings together jazz, pop, cross-over, funk and punk, leaving his personal stamp on each project. (Sticks/Drummagazine, Jan. 2007)

Matthias 'Maze' Meusel (born 1976) began studying the drums and piano in the jazz rock pop class of the Academy of Music in Hannover at the age of 17. During his studies he contributed to theatre productions, operas, musicals and galas, besides teaching at music schools and workshops.

As a studio and live drummer, Maze is involved in countless productions and tours all over Europe and world wide in over 30 countries.

His versatility and highly sensitive, truly unique style have become a trademark in the international scene. Maze is a Composition Prize-winner of the first German Composers' Association and Paul Woitchach Foundation.
